## Hand Unit- Open Access appointment

### **Please Keep this letter**

You have been discharged from the Hand Unit with an open access appointment

This means that during the next 6 months, if you have any concerns or queries regarding the condition about which you have been seen, you may simply contact us to make a further appointment.

You can do this by telephone **020 8725 4770** or by filling in the online form on our website: [tiny.cc/book-open-access-appt](http://tiny.cc/book-open-access-appt)

Please quote your Hospital Number and your Consultants name which are at the top of this letter. Please explain that you have an open access arrangement and wish to make a follow- up appointment.

If you do not require another appointment you will automatically be discharged in six months from the date shown above. After this date, you will require a new GP referral should you need to see us again.

If you need general advice you may wish to contact the Hand Unit Nurse practitioners on 020 8725 4770 during clinic hours (9:00- 4:00 PM Mon-Frid). Please note they are unable to arrange any appointments.

Yours faithfully
