South London ST3-ST4 Regional Study Days
2019-2020

To Book: Most of these study days do not require booking in advance, where noted please email Anaesthetics.Training@stgeorges.nhs.uk to book a place, unless otherwise stated.

NOTE: An attendance certificate will be produced at six month intervals ahead of ARCPs – your certificate will detail which of the study days above you have attended in that six month period. You should expect to receive your certificate in early January 2020 and late June 2020.
