

CanChat

A telephone helpline for St George's Hospital's cancer patients, their carers and friends

Tel: 020 8725 2677

Monday to Friday 9.30am - 4.30pm

“Talking to someone who had such a similar diagnosis and treatment, was absolutely invaluable” Sue

This telephone support service matches you with a trained volunteer who has been affected by a cancer diagnosis. It offers you the chance to talk to someone outside of the family group or clinical support team about any worries or concerns, practical advice on everyday matters. No medical advice
