

# We can't treat an empty chair.

## Miss your appointment and everyone misses out.

Missed hospital  
appointments cost  
St George's millions of  
pounds and mean we  
can't cut waiting times.

## Help us treat more people sooner.

Tell us if you need to cancel or re-arrange your appointment.  
Make sure we have your correct contact details and mobile  
phone number so we can text you reminders.
