

Cancer and survivorship

Come and learn more about the 'Recovery Package'

Find out what we are doing to help people living with and beyond cancer get the care and support they need to lead as healthy and active a life as possible.

Share your experiences with Voice members and staff to help us support patients when they finish treatment. You are welcome to bring a partner, family member or friend with you.

Date: Friday 10th November 2017

Time: 1.45pm—4.30pm including light refreshments

For more information and to book a place: please contact the Macmillan Information and Support Centre on 020 8725 2677 or patient.voice@stgeorges.nhs.uk
