

# Renal Transplant Services

## Getting Ready for Transplantation: Checklist of my investigations

**This leaflet explains more about your transplant work up process and the investigations you require to assess your suitability for transplantation. If you have any further questions, please speak to a doctor or nurse caring for you.**

We aim to complete your transplant work up within 18 weeks of receiving the referral. Please be aware that any positive test will require further investigation/s and therefore might prolong the work up process.

Name:	D.O.B:	
TEST	Appointment date	DONE
