

# VISITING THE MACMILLAN CENTRE DURING COVID-19 PANDEMIC

## PLEASE READ BEFORE VISITING THE CENTRE

Do not visit the Centre if you are or have experienced Covid-19 symptoms in the last 7 days or have been in contact with someone who has. If unsure, please call/email us or use our video call service instead.  
Thank you

### Social distancing

- Please **wait in the Quiet room** and a colleague will be with you as soon as available
- If the quiet room is already occupied we kindly ask you to **wait outside the centre** until someone leaves.

### Access to information

- Please wait for us before taking booklets or leaflets.
- All booklets and leaflets are accompanied by a QR code which we encourage you to use **instead of taking the leaflets and booklets.** QR codes allow you to access a digital version of the booklets or the website of the leaflets' service providers **directly onto your smartphone.**
- Visit our **YouTube Channel - Macmillan Centre St George's Hospital-** for information videos.
