

Ponesimod (Ponvory®) missed dose. What do I do?

The leaflet aims to answer your questions about taking ponesimod (Ponvory®) to treat your multiple sclerosis (MS). If you have any questions or concerns, please speak to a doctor or nurse caring for you.

If you miss fewer than four consecutive days of taking ponesimod (Ponvory®)

Start the treatment again with the first missed dose.

If you miss four or more consecutive days of taking ponesimod (Ponvory®)

Please contact the MS team as treatment will need to be re-initiated with a new titration pack. The MS doctor may decide to keep you under observation (for heart rate) when you recommence if this was required for your first dose.

Please note: You should never take a double dose to make up for a forgotten dose.

Contact us

If you have any questions or concerns about ponesimod (Ponvory®), please contact the Multiple Sclerosis Nursing Team:

MS Team Coordinator 020 8725 2104

For more information leaflets on conditions, procedures, treatments and services offered at our hospitals, please visit www.stgeorges.nhs.uk

Additional services

Patient Advice and Liaison Service (PALS)

PALS can offer you on-the-spot advice and information when you have comments or concerns about our services or the care you have received. You can visit the PALS office between 9.30am and 4.30pm, Monday to Friday in the main corridor between Grosvenor and Lanesborough wings (near the lift foyer).

Tel: 020 8725 2453 **Email:** pals@stgeorges.nhs.uk

NHS Choices

NHS Choices provides online information and guidance on all aspects of health and healthcare, to help you make decisions about your health. **Web:** www.nhs.uk

NHS 111

You can call 111 when you need medical help fast but it's not a 999 emergency. NHS 111 is available 24 hours a day, 365 days a year. Calls are free from landlines and mobile phones.

Tel: 111

AccessAble

You can download accessibility guides for all our services by searching 'St George's Hospital' on the AccessAble website (www.accessable.co.uk). The guides are designed to ensure everyone – including those with accessibility needs – can access our hospital and community sites with confidence.
