

Have you completed the **LocSSIPs** Form?

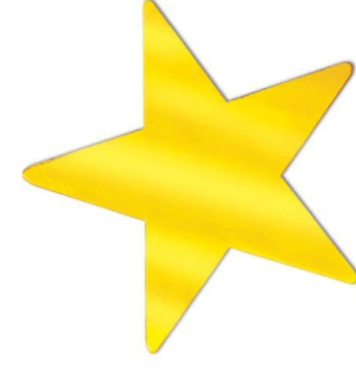

*LocSSIP = **L**ocal **S**afety **S**tandards for **I**nvasive **P**rocedures

For further information, please contact:

Phien Vo (Neonatal SpR)

Thiri Zan (Neonatal SpR)

WHY?

The completion of a LocSSIPs Form is mandatory to comply with the National Safety Standards for Invasive Procedures.

WHAT? Procedures requiring the completion of a LocSSIPs Form:

- ★ Chest drains
- ★ Long lines
- ★ Ventricular tap
- ★ Rectal suction biopsy
- ★ Laser therapy for ROP
- ★ Gastrochisis Silo

WHERE?

METHOD 1: Select patient on iClip → NNU Summary → NNU forms → LocSSIPs

METHOD 2: Select patient on iClip → Adhoc → Neonatology forms → LocSSIPs form

HOW? All 3 sections **MUST** be completed within the form:

- ❖ Pre-procedure
- ❖ Documentation of Procedure
- ❖ Post-procedure

**To amend the forms: Select patient on iClip → Form Browser → All forms*
