

St George's Education Committee

Educational Lead Report

Programme/Specialty:	. Guardian of Safe Working/ Return to Work/ LTFT
Date of report:	4.9.23
Period covered:	2022-2023
Report produced by:	Dr Rosy Wells
Achievements:	<ol style="list-style-type: none"> 1. New GOSW in post from Sept 2022 2. First exception reports from locally employed doctors received in Q4 and are ongoing 3. Mess redecoration in Q4. Review of BMA wellbeing charter and action points in place. Plans for refurbishing using wellbeing funds 4. JDF active with increased engagement over the year 5. Ongoing RTT course 6 months (HEE funded) 6. LTFT/RTT update for ES every 3 months 7. Coaching available for RTT
Issues:	<ol style="list-style-type: none"> 1. Highest level of exception reports for the year 2022-23 ever received 2. Acute/general medicine ongoing area of concern with high levels of reporting and high pressures/work loads for juniors. Supportive consultant body. 3. NTS results noted and correlated with GOSW contact/exception reporting. Noted lack of reports from haematology and paed surgery.
Plans for next quarter:	<p>Ongoing monitoring of ER and patterns Attendance at inductions for juniors (including IMGs) to ensure awareness and access to ER across all specialties and grades/LED New JDF co-chairs to be appointed</p>

Outstanding care
every time
