

St George's Education Committee

Educational Lead Report

Programme/Specialty:	Neurosurgery
Date of report:	30/08/2023
Period covered:	2023
Report produced by:	Navneet Singh, Education lead
Achievements:	<ul style="list-style-type: none"> • Very pleasing GMC survey results. No 1 of 37 neurosurgery units nationally • Developed new trainee links with units in USA and Saudi Arabia – hope to receive trainees summer 2024 • 2 locally employed registrars passed the neurosurgery FRCS • Identified and started to clear space to develop skills lab for trainees in AMW • Fully staffed registrar rota • Set up of new anonymous reporting hotline for bullying, sexism, racism etc
Issues:	<p>Vacancies on junior grade rota Office space, computer access for SHO's and registrars Regional teaching programme lacking</p>
Plans for next quarter:	<p>Final completion of skills lab 2 extra physician associates to start in September 2023 and December 2023 Identifying new office space for SHO's to start with followed by registrars over the next 3-6 months – some space identified – waiting for service manager to liaise with neuroscience nursing manager when everyone back from leave Working with TPD's in South Thames and North Thames and trainee reps to develop pan-London or South Thames regional teaching programme – expect trainees to be attending either in next 6 months</p>

Outstanding care
every time
