Period covered:	June-Aug 2023
Report produced by:	Dr Laura Byrne
Achievements:	<p>Academic year 2022/23</p> <ul style="list-style-type: none"> • T year medicine 89.5% excellent/good overall • P year AMU 88% good/excellent overall • P year geriatrics 80.5% good/excellent overall • P year cardiology 95.9% good/excellent overall • P year palliative care >85% good/excellent overall • P year medical specialties 76.8% good/excellent overall • F year emergency medicine 86.4% good/excellent overall • F year medical specialties 86.4% good/excellent overall <p>Inductions for T year and F year have been improved in line with SGUL and GMC guidance</p>
Issues:	<ul style="list-style-type: none"> • Recent feedback on P year medicine intro week that a week of F2F lectures was too much and they would prefer hybrid approach. I will discuss with Nick Annear and the AMU CTFs • P year medical specialties not achieving KPI >80% and teaching affected by strikes
Plans for next quarter:	<ul style="list-style-type: none"> • Create new medicine CTF posts and recruit • Launch student hub on intranet • Continue to reflect on student feedback and improve mechanism for how this is shared with placement leads • Work with CGLs to ensure teaching reflected in job plans
